Cancer Council Tasmania is a not-for-profit organisation that works to minimise the incidence and impact of cancer on all Tasmanians through advocacy, raising awareness of cancer prevention and offering support and information to anyone impacted by the disease.

To assist in achieving our mission, Cancer Council Tasmania provides free, evidence based resources to those who are supporting them.

Cancer Council Tasmania relies on generous donations to provide services and resources to Tasmanians. To make a donation please go to our website at [www.cancertas.org.au](http://www.cancertas.org.au) or phone 1300 65 65 85

These information resources are for people with a cancer diagnosis and their carers. They are not promotional material. The number of resources will depend on availability and demand, and will be determined by the Resource Administrative Officer, Cancer Council Tasmania who make a contact with you to arrange pick up where possible. There is also a range of resources which can be downloaded from [www.cancerdirectory.com.au](http://www.cancerdirectory.com.au)
