

FREE online module for GPs on the National Bowel Cancer Screening Program

An online module about bowel cancer and the National Bowel Cancer Screening Program is available on the Royal Australian College of General Practitioners (RACGP) gplearning website for members and non-members. If you are a member of the college or have a QA number with the college, you will receive 2 RACGP QA&CPD points for completing the module. Simply visit www.gplearning.com.au and login using your username and password. Alternatively, if you are NOT a member, please follow the directions below for FREE access. Please do not create a second account if you already are a member or have a QA number.

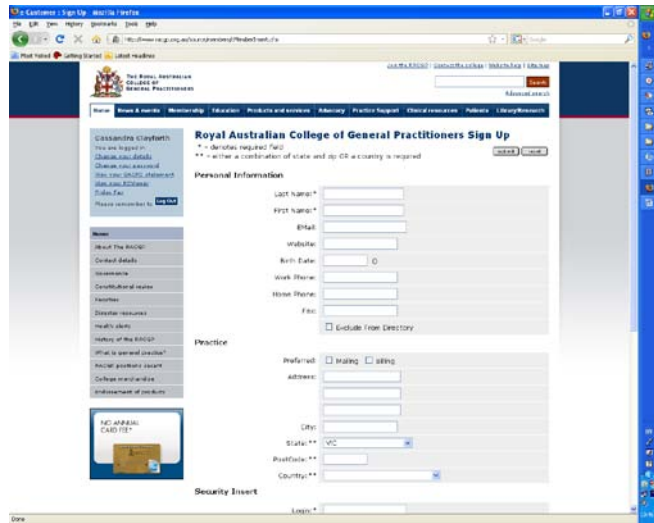

Enter www.gplearning.com.au as the URL address

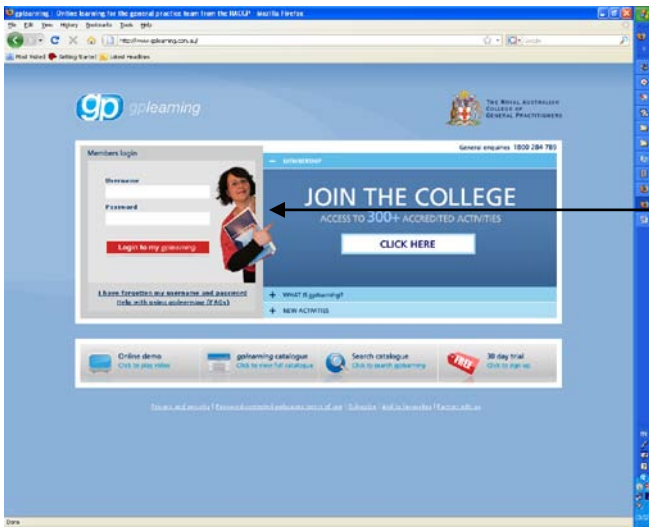

Click on the 'FREE 30 day trial'

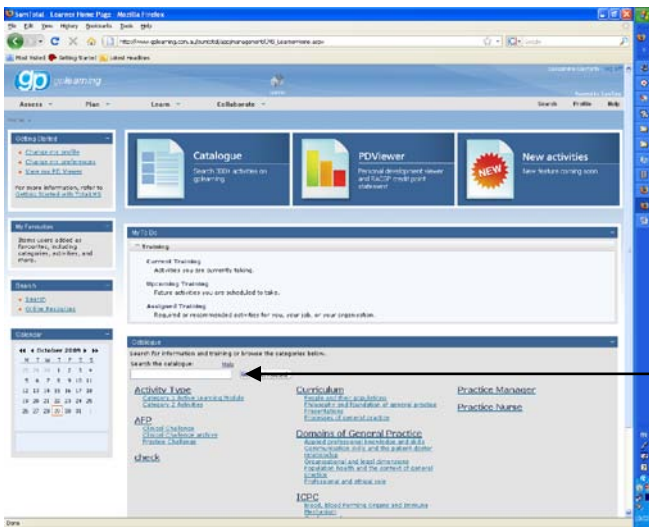

Click on 'Simply register by clicking here'

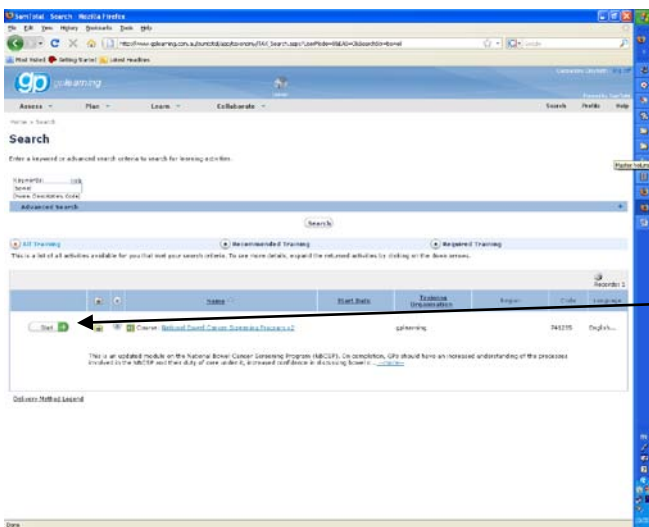

Enter your sign up details and click 'submit'

Log in at the Gplearning homepage using your new username and password

Type 'bowel' into the search box and click 'Go'

Click 'Start' to begin the module

Good luck! And have fun! 😊
